# Federal Financial Aid for DAOM Studies

Oregon College of Oriental Medicine (OCOM) offers Federal Financial Aid to DAOM students in the form of loans for those who qualify.

To apply for Federal Financial Aid, you must do so every year. You can apply beginning October 1, 2018 for the 2019-2020 academic year. Continuing students apply after October 1 for the next academic year. Your Free Application for Federal Student Aid, or **FAFSA**, is available online at **fafsa.ed.gov**.

Begin by creating a FSA user ID and password to ensure that your personal information is secure. Next, on your FAFSA, select OCOM as the college you wish to receive your information. **OCOM's school code is B-07625.**

Upon admission to OCOM, your FAFSA information is reviewed and an award letter is prepared. You will then be asked to return the signed award materials so that your loans can be processed.

Loan funds will arrive at the beginning of each payment period — once in September and again in February — just before you are charged for your tuition. *A Direct Graduate PLUS Loan can provide additional funding up to the cost of attendance.*

Unsubsidized Direct Loan	\$ 20,500 per year
--------------------------	--------------------

**For Fall 2019:**

DAOM PROGRAM	TOTAL PROGRAM COST	COST PER PAYMENT PERIOD
Two-year DAOM program	\$ 39,500	\$ 9,875

These costs remain the same for you throughout your program. Federal loan programs allow for enough money to cover the cost of tuition, books and fees, and a modest amount for living expenses and travel/ lodging during the doctoral modules.
