Application Checklist for International Students

OCOM welcomes international students to apply for admission to the Master of Acupuncture and Oriental Medicine (MAcOM) program. In addition to all the standard application information and documentation, international students must also meet and submit additional documentation requirements.

- Official copies of all academic transcripts from secondary schools. International institutions’ transcripts must be submitted with the appropriate translation and equivalency analysis from a recognized agency such as World Education Services.
  — Visit www.WES.org

- English language competency is required of all students seeking admission to the program. This may be satisfied by:
  - Test of English as a Foreign Language (TOEFL) Internet based test (iBT), scoring 61 or above, achieving a minimum speaking exam score of 26 and a minimum listening exam score of 22.
    — Visit www.ets.org/toefl
  - International English Language Testing System (IELTS) result of Band Score of 6 (Competent User)
    — Visit www.ielts.org

- Show sufficient financial resources to fund educational and living expenses with the following documentation:
  - Certificate of Finance
  - Official bank verification of funds (English translation) with Current Exchange rate

- Minimum of $100,000 for the three-year program, or $120,000 for the four-year program. (Note: most programs look for coverage of first year with a review before continuance of the program.)

- Additional $20,000 per year for each dependent (spouse, child)

- Copy of passport (Front and back with signature of bearer) for all non-U.S. citizens

- Copy of photo page of passport showing picture image, correct spelling of legal name and date of birth

- Copy of visa for all non-U.S. citizens

You may obtain more information about the Student and Exchange Visitor Program (SEVP) and Student and Exchange Visitor Information System (SEVIS).
