

OREGON COLLEGE *of* ORIENTAL MEDICINE

ocom.edu | 75 NW Couch Street, Portland, OR 97209 | 503-253-3443

Part-time Clinical Faculty

Are you looking for an opportunity to work for an organization that is helping to change our world for the better? If so, Oregon College of Oriental Medicine (OCOM) might be the perfect place for you.

Our campus and offices are in the heart of Old Town Chinatown, in the LEED Gold certified remodel of the former Globe Hotel building. Tom McCall Waterfront Park and the Willamette River are just a block away. You'll enjoy easy access to the MAX Light Rail, other mass transit, and cycling routes.

OCOM is a nonprofit graduate medical school in Portland, Oregon. Our mission is to transform health care by educating highly skilled and compassionate practitioners, providing exemplary patient care, and engaging in innovative research within a community of service and healing. OCOM's primary activities are providing studies for specialized graduate degrees; operating two teaching clinics, providing affordable care for patients and hands-on experience for student interns; and conducting acupuncture and Chinese medicine research. *For more information about the college, visit ocom.edu.*

We are seeking part-time clinical faculty to join our team.

Salary range for clinical supervision: \$27.54-33/hour, depending on experience and education.

Salary range for Integrative Clinical Theater: \$51.50/hour.

Spring quarter is April 1 - June 22, 2024.

Clinic Trainee shift is Wednesday from 9:00 AM – 1:00 PM.

Integrative Clinical Theater is Monday from 2:00 PM – 5:00 PM.

Clinic Internship can be either 8:15 AM-1:00 PM on Tuesday or 2:15 PM – 7:00 PM on Friday.

Position Summary

The below constitutes the job requirements for part time clinical faculty at Oregon College of Oriental Medicine. The faculty member shall be prepared professionally and academically to perform duties that include clinical instruction and other duties specified below. Teaching assignments will be made by the Dean of Graduate Studies and Associate Dean of Clinical Education. The faculty is charged with helping the student learn through appropriate teaching methods, assessing the knowledge, skills, and abilities/attitudes (practical, clinical) the student has learned, and reporting that learning to the student, the Associate Dean of Clinical Education, and members of the college's Assessment Committee.

The position requires that the faculty member participate in department and other faculty meetings and contribute to curriculum development.

The faculty member shall be prepared to supervise 1-8 clinical offerings each academic year as assigned by the Associate Dean of Clinical Education.

Possible clinical assignments include:

- Clinical Internship: supervise students as they perform history, physical examination, diagnosis and treatment of patients.
- Integrative Clinic Theater class: treat patients using integrative medicine in a classroom setting while providing instruction to student observers. Provide instruction and lecture on treatment planning.
- Clinic Trainee: closely supervise teams of students as they perform history, physical examination, diagnosis and treatment of patients.

Continued

Essential Functions

- Provide clinical instruction as assigned.
- Provide students with regular clinical assessment, including mid-term and end-of-term clinical evaluations.
- Provide student assessment data as directed by the Associate Dean of Clinical Education.
- Perform all tasks required by the faculty teaching agreement.
- Collaborate with the deans in curriculum review and development.
- Attend department and other mandated meetings.
- Participate in faculty evaluation and other assessment activities.

Knowledge, Skills, and Abilities

- Academically and professionally prepared for assigned clinical duties as directed.
- Ability to work as a team member in a collaborative environment
- Attention to detail
- Able to multitask
- Working knowledge of basic computer software to include but not be limited to the Microsoft Office Suite and Google Docs.
- Strong verbal, written, and interpersonal communication skills.

Preferred

Able to effectively instruct students in principles of integrative medicine

Education and Experience

- Terminal degree in acupuncture, acupuncture and Oriental/Chinese medicine (DAOM, DACHM, or Chinese equivalent) preferred; dual degree (MD, DO, ND, DC) required for Integrative clinical theater
- An Oregon license to practice acupuncture or eligible for such a license, and a minimum of five years of full-time clinical experience and no sanctions against a license in any field in any state.
 - Successful NCCAOM Examination in herbal medicine or equivalent required.
 - Minimum five year's licensure with no sanctions against any license.
 - Current CPR/First Aid/AED certification
 - Experience with insurance billing (i.e., ICD-10, E&M and CPT coding)
 - Experience performing orthopedic and neurological exams
